### RULES AND REGULATIONS

---

The following Rules and Regulations govern sewer service by Lyon County Water District – Sewer Division, and are in addition to, and superceded by, the Rules and Regulations established by the Public Service Commission.

A. BILLING AND COLLECTION

Meters shall be read monthly around the middle of each calendar month and shall be completed as soon thereafter as possible. Bills will be due and payable no later than the 10<sup>th</sup> day of the following month.

In the event weather or other conditions prevent the reading of meters in a particular month, bills may be estimated for that month and any necessary adjustments made on the next monthly billing. Any bill that is estimated will be clearly marked showing that it has been estimated.

B. DEPOSITS

N/A.

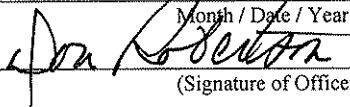

C. NON-PAYMENT

The Utility will disconnect water service for non-payment of sewer service. Any and all applicable disconnect/reconnect charges required by the Water District must be paid before service can be restored..

**D. SPECIAL NON-RECURRING CHARGES**

**1. Late Payment Penalty**

A late payment penalty will be assessed on any account not paid by the due date. The penalty will be assessed only once on any unpaid balance.

**2. Returned Check Charge**

A returned check charge will be assessed when a customer's check is returned, either due to insufficient funds, or other reason due to customer fault.

**E. BANNED SUBSTANCES**

No substances shall be placed into the sanitary sewer system which will create a combustible, gaseous, explosive or inflammable condition nor shall any substances or objects be placed or discharged into the system which will not dissolve and which will thus cause an obstruction and clogging within the system. No petroleum products shall be placed or discharged into the system. No storm water or surface water drain shall be connected with the sanitary sewer system nor shall any storm or surface water be otherwise introduced into the system.

**RULES AND REGULATIONS**

---

**F. SEWER LINES**

A sewer service pipe shall not be laid in the same trench with a water pipe.

If a governmental agency requires an inspection of the customer's plumbing, the Utility shall not connect the customer's service pipe until it has received notice from the inspection agency certifying that the customer's plumbing is satisfactory. When necessary to move or relocate facilities, the cost will be paid by the party or parties requesting such relocation.

Any customers ultimately connected under this arrangement shall be charged according to the utility's current approved rates filed with the Public Service Commission.

For purposes of this provision the term "prospective customer" shall mean any person, firm or corporation which expresses an intent to become an ultimate user or customer of the utility at the time of the contribution in aid of construction is charged. A subdivider, developer or contractor is not considered a "prospective customer" for purposes of this section.

**G. SEWER FAILURE**

The utility is responsible for the maintenance of that portion of the service line installed by the Utility and the customer is responsible for the maintenance of that portion installed by the customer.

**H. PROTECTION BY CONSUMER**

The Consumer shall protect the equipment of the Utility on his premises and shall not interfere with the Utility's property or permit interference except by duly authorized representatives of the Utility.

## RULES AND REGULATIONS

### I. NOTICE OF TROUBLE

The Consumer shall give immediate notice to the Utility of any irregularities or unsatisfactory service and of any known defects.

### J. DISCONTINUANCE OF SERVICE BY THE UTILITY

The Utility may refuse or terminate service for noncompliance with its tariffed rules or commission regulations after having made a reasonable effort to obtain customer compliance. Said customer will be given at least ten- (10) days written notice prior to termination.

If a dangerous condition is found to exist service may be terminated without notice. However, the utility will notify the customer in writing and, if possible, orally of the reasons for termination or refusal of service. The notice will be recorded along with the corrective action to be taken by the customer or the utility before service is restored or provided.

The utility may terminate service for nonpayment of tariffed charges after a five- (5) day written notice of intent to terminate. Service will not be terminated before twenty (20) days after the mailing date of the original bill.

The Utility may file a complaint in court for any outstanding debt.
